RE: JCCASAC General Membership Meeting

Great News!! Participating County Offices of Education (COE) are encouraged to bring their administrative team, at no registration cost to the COE, to the March 29, 2010 JCCASAC General Membership Meeting. That's right, the JCCASAC Executive Board members who attended the meeting held in Newport Beach on January 24, 2010 voted unanimously to forego the registration fee for our March 29, 2010 General Membership meeting. This meeting will be held in Sacramento at our COE Mather Room from 9:00 a.m. to 4:00 p.m. (10474 Mather Boulevard / Mather, CA 95655). Please RSVP by calling Cindy, 916-228-2299 or by emailing her at csindayen@scoe.net so that I will have an accurate count.

You are invited to email me (mbell@scoe.net) any "Hot Topics" you would like discussed at this meeting. Additionally, we are working to have presenters from California Department of Education (CDE), Probation, and perhaps others, as your suggestion list continues.

Please remember: The goals of JCCASAC are to share information, to collaborate, as well as to promote and support COE programs throughout the state. Our meetings provide opportunities to ask questions, to learn about legislation and best practices. Additionally, our meetings are rich with discussion and information leading to high quality services for the most at-risk students in California. Your involvement and participation is important to us!

We look forward to seeing you at the JCCASAC General Membership meeting, Monday, March 29, 2010 in Sacramento County Office of Education (SCOE) Mather Room from 9:00 a.m. to 4:00 p.m. We are here to support your plans for high quality student achievement through effective and meaningfully engaging programs. For more information, visit our website (www.jccasac.org).

Thank you so much for your continued support of JCCASAC.
